Le Pan II Tablet

The Le Pan II Tablet runs on an Android™ 3.2 Honeycomb (upgradable to Android™ 4.0 Ice Cream Sandwich) OS, giving you access to over 500,000 apps via the Android™ Market. The 9.7-inch multi-touch screen produces high-definition visuals while giving you total control over your mobile device. The Le Pan II Tablet is powered by a Qualcomm 1.2GHz dual-core Snapdragon processor, giving you a fast and enjoyable browsing experience. Store your precious videos, photos, and other files to its built-in 8GB storage. And if that is not enough, you can upgrade it up to 32GB to save more downloads, media and apps. Equipped with WiFi, Bluetooth, and GPS, you are assured of total connectivity with almost any mobile device. Video conferencing is also enjoyable with this tablet using its front-facing camera and microphone.
