

Farm Service Co-op's management and Board of Directors are dedicated to providing the safest possible working conditions for all employees. This manual is provided to all employees to answer questions and to help them know the accepted safety procedures at Farm Service Cooperative.

I agree that I have reviewed a copy of Farm Service Co-op's safety manual with my supervisor and that I have access to a copy of the safety manual in my branch office. I further agree to comply at all times with these procedures and policies while an employee of Farm Service Co-op. I understand that failure to comply with these regulations may result in suspension or termination of my job.
