

BILL RODENBORN FSC SCHOLARSHIPS.....

A reminder that applications for the Bill Rodenborn / FSC Memorial Scholarships are due by April 15, 2014. The scholarship was established as a living memorial to the late Bill Rodenborn, past FSC general manager. The purpose is to provide scholarships to children of FSC employees and / or FSC stockholders. The students must be planning on attending any certified college or university in the state of Iowa offering a two or four year academic program. Several scholarships are usually awarded each year. The scholarships will be awarded in the spring of the recipient's senior year of high school. The scholarship will then be payable

to the college of the recipient's choice at the billing time for the second term of their freshman year. To apply for one of these scholarships, complete an application that can be obtained from your high school guidance counselor, contact Joan Bruck at the General Office, or go to www.fscoop.com
